

The First Choice of Automotive Professionals

This annual scholarship is offered through the NACAT Education Foundation and is presented at the annual NACAT Conference and Awards Dinner. The scholarship recognizes one U.S. or Canadian high school senior for outstanding achievement in automotive technology / auto shop repair scholastics.

The scholarship applicant must be a current student majoring in automotive technology / auto shop repair course work and meet the following criteria:

- Must be nominated by his/her NACAT instructor
- Must have a minimum overall 3.0 grade point average (GPA)
- Must be a high school senior with proof of a commitment to an accredited college or university, or already enrolled in their first year at an accredited college or university
- Must be a U.S. or Canadian citizen

Applicants are required to submit the following materials (postmarked by May 15th) for scholarship consideration:

- A nomination letter from their NACAT instructor (limited to two pages). The nominating NACAT instructor must be a member in good standing.
- A cover letter from the applicant indicating his/her career path in the automotive repair industry and thoughts about the future of the industry and the personal educational needs/desires should be presented in typewritten form by the scholarship applicant.
- An unofficial transcript of grades may be submitted by the student, but must be validated by the instructor submitting the nomination letter. An official transcript embossed with the school registrar's stamp and signed by the registrar will also be accepted.

Scholarship applications will be reviewed during May of each award year by the NACAT Education Foundation Award committee. The committee will select the top candidate and one alternate. Each applicant will be notified by June 1. The winner must accept the scholarship and its terms, in writing, before June 11 of the award year or forfeit the award. A scholarship not accepted by the due date will be awarded to the first alternate.

Applications must be postmarked by May 15, 2008 and sent to:
